MORELLO GIANPAOLO

Morello Gianpaolo

Морелло Джанпаоло. Марка итальянского стиля

С 1974 года марка Морелло Джанпаоло является синонимом превосходства в производстве классической мебели.

Беспрестанный поиск ремесленнических решений, отличающихся своей эксклюзивностью, формирует уникальные неповторимые элементы.

Этими чертами отличаются творения Морелло Джанпаоло, именно поэтому они становятся точкой отсчета и примером мирового искусства.

Чувственность, страсть, утонченность и итальянский стиль, - ключи к успеху, уходящему корнями в ремесленническую основу каждой коллекции.

Morello Gianpaolo. A brand of Italian quality

Since 1974 Morello Gianpaolo's brand is a sign of excellence in classic furniture.

Through a continuous research for exclusive craftwork, we create unique objects.

For this reason Morello Gianpaolo's items have become an art benchmark and status all over the world.

Grace, passion, refinement and Italian style are the key for our success, which has its roots in the genuine craftwork of every collection.

Il marchio dell'italianità

Dal 1974 il marchio Morello Gianpaolo è sinonimo di eccellenza nella produzione del mobile classico. Instancabile ricerca di soluzioni artigianali sempre più esclusive per plasmare oggetti unici e inimitabili. È per questo che gli articoli Morello Gianpaolo sono divenuti punto di riferimento e stato dell'arte nel mondo.

Sensibilità, passione, raffinatezza e stile tutti italiani, sono le chiavi di un successo che fonda le radici nella genuinità artigiana di ogni collezione.

Maestri per passione

La nuova collezione è il risultato di anni di progettazione, sperimentazione, immaginazione, piccole genialità. Oggi possiamo dire che ogni nostra creazione ha un'anima. Materiali pregiati e ricercati che le mani esperte di tappezzieri, ebanisti e lucidatori forgiano in creazioni esclusive per stile ed eleganza.

E' così che tessuti, sete, velluti, pelli pregiati, essenze, masselli, lacche preziose e decorazioni prendono vita e diventano strumenti per l'espressione creativa. Ogni pezzo diventa perciò rappresentazione di stile che le infinite combinazioni di finiture rendono unico e personale. Un equilibrio classico per forme senza tempo ottenute rigorosamente a mano.

Passionate masters

The new collection is the result of years of projects, experiments, imagination and genius. Nowadays we can say that our product has a soul. Experienced upholsterers, ebonists and polishers create items with precious and refined material, that are unique for their style and elegance.

In this way textile, silk, velvet, fine leather, essences, solid wood, precious lacquer and decorations are tools for creativeness. Each piece represents a style, unique and personal, thanks to many finishing combinations. A formal balance for eternal design, strictly handmade.

Страстный Маэстро

Новая коллекция – результат многолетней проектировки, испытаний, воображения, маленьких гениальных трюков. Теперь мы можем быть уверены – у каждого нашего творения есть душа. Знающие руки обойщиков, краснодеревцев и полировщиков превращают ценные, изысканные материалы в эксклюзивные по стилю и элегантности творения. Таким образом, ткани, шелка, бархаты, ценные меха, древесные породы, ядра, ценные лаки и украшения оживают и становятся средством достижения художественной экспрессивности. Каждый созданный элемент превращается в выражение уникального личного стиля, поскольку бесконечные варианты отделки не имеют шанса повториться. Классическое равновесие для безвременных форм, реализованных исключительно вручную.

Immergersi nello stile Morello Gianpaolo

Lo show room Morello Gianpaolo è un invito a un'evasione in un altro mondo, alla scoperta di orizzonti inattesi e sempre reinventati.

Un viaggio immaginario nel cuore dell'essenza alla ricerca di nuovi percorsi e ispirazioni, fra volumi e forme, materiali e colori.

Le stesse emozioni ricercate e apprezzate nelle fiere di tutto il mondo; dalla Serbia al Giappone, dalla Russia agli Emirati Arabi all'America.

An immersion in Morello Gianpaolo's style

Morello Gianpaolo's show room is an invitation to escape into a different world, to discover unexpected and always re-invented horizons. A fantastic trip to the essence core, searching for new paths and inspirations, among spaces and forms, materials and colours. The same emotions you search and appreciate in the shows all over the world, from Serbia to Japan, from Russia to the Emirates and U.S.A..

Окунуться в стиль Морелло Джанпаоло

Show room Морелло Джанпаоло - это приглашение окунуться в другой мир для открытия неожиданных, новых, заново придуманных горизонтов. Воображаемое путешествие в сердце сути в поиске новых путей и вдохновений, через объемы и формы, материалы и цвета. Те же эмоции ищут и ценят на выставках во всем мире: от Сербии до Японии, от России до Арабских Эмиратов, до Америки.
