MORELLO GIANPAOLO

MORELLO GIANPAOLO

il nostro nome è il nostro marchio

La nostra azienda è il nostro nome, la nostra famiglia. Così come ancora si usa qui, nel Veneto, dove i "mestieri" sopravvivono alle professioni e i prodotti del proprio lavoro si riconoscono con il nome di chi li fa. Il nome Morello Gianpaolo significa mobili imbottiti di qualità eccellente, cura artigiana dei più piccoli particolari, significa estro e ricercatezza nei tessuti e nello stile dei prodotti.

our name is our trademark

Our company is named after our family. This is how it still is here in the Veneto, where a trade is a craft and the products of the trade are recognised by the name of the craftsman who produces them. The name Morello GianPaolo means high quality upholstered furniture, carefully crafted with particular attention to detail, inspired and refined in choice of fabrics and product design.

passione per il nostro mestiere

L'unicità dei nostri mobili è il prodotto dell'esperienza e dell'abilità dei nostri artigiani. Tappezzieri che conoscono i segreti della comodità e che ricercano i tessuti più esclusivi per qualità e bellezza.

Falegnami che selezionano e lavorano i migliori legni masselli e le essenze più rare e prestigiose. Lucidatori che uniscono la perfezione delle finiture all'arte delle decorazioni e delle lacche più preziose.

a passion for our job

The uniqueness of our furniture is a result of our experience and skill. Upholsterers who know the secret of comfort and seek out the most exclusively high quality and beautiful fabrics.

Carpenters who choose and work the best and essentially the rarest and most prestigious solid wood. Polishers that bring together the perfection of the finish and the decoration with the finest varnishes.
