CASPANI TINO

# Company Profile

Our company was founded some decades ago by Mr. Caspani who, after several and important experiences in furniture field, wanted to dedicate his knowledge to classic style, enriching them with personal interpretations suggested by market trends.

From the beginning our company has created collections for the whole house offering to the client the opportunity to furnish every room and choose among a very wide range of items.

Our products are strictly manufactured in Brianza area, Luxury furniture district, 20 km far from Milan, the heart of Made in Italy, where the furniture culture finds its roots and is handed down from generations.

Our key feature can be found in production: we are the only one to have created different manufacturing centres, each of which specialized in a particular type of items: classic sofas, style sofas, bedrooms, dining rooms, wardrobes...

This diversification allows us to rationalize work and therefore costs, to exploit the synergies among different production centres, and to offer the opportunity to our customers to create a completely custom furniture.

Creativity, innovation, diligence and passion are always the ingredients of our work and of our success.

La nostra azienda è stata fondata qualche decennio fa dal sig. Caspani che, dopo diverse e importanti esperienze nel settore del mobile, ha voluto dedicare le sue conoscenze allo stile classico, arricchendole con le interpretazioni personali suggerite dalle tendenze del mercato.

Dalle origini la nostra azienda ha creato collezioni di arredamento per la casa offrendo alla clientela l'opportunità di arredare ogni locale e scegliere tra una vasta gamma di articoli.

I nostri prodotti sono rigorosamente realizzati in Brianza, distretto dell'arredamento di lusso, a 20 km da Milano, il cuore del Made in Italy, dove la cultura del mobile trova le sue radici e viene tramandata di generazione in generazione.

Il nostro punto di forza sta nella produzione: siamo infatti gli unici ad aver creato diversi centri di lavorazione, ognuno dei quali specializzato in una particolare tipologia di articoli: in salotti classici, in salotti in stile, in camere da letto, sale da pranzo, armadiature...

Questa diversificazione ci permette di razionalizzare il lavoro e di conseguenza i costi, di sfruttare al meglio le sinergie tra i diversi centri di produzione, e di offrire la possibilità ai nostri clienti di realizzare un arredamento completamente personalizzato.

La creatività, l'innovazione, l'impegno e la passione sono come sempre gli ingredienti del nostro lavoro e del nostro successo.

Наша компания была основана несколько десятилетий назад синьором Каспани, который на основании набранного опыта в мебельной отрасли, захотел применить свои знания в классическом стиле, обогатив его собственным видением современных тенденций рынка. С самого основания наша компания создает коллекции мебели для дома, предоставляя клиентам возможность обустройства любого пространства и выбора из широкой гаммы продукции.

Наша продукция произведена в Брианце, регион славится производством мебели класса люкс, и расположен в 20км от Милана, это сердце Made in Italy, где культура производства мебели уходит своими корнями вглубь веков и передается из поколения в поколение.

Нашей сильной стороной является производство: мы единственные создавшие различные производственные центры, каждый из которых специализируется на определенном типе продукции: классическая мягкая мебель, стилизованная мебель, спальни, столовые, гардеробные...

Это разделение позволяет рационализировать сам производственный процесс и следовательно затраты, максимально использовать синергию между различными производственными центрами, и дает возможность нашим клиентам создать неповторимый индивидуальный интерьер.

Творчество, инновации, обязательность и страсть, как всегда, - это основные ингредиенты нашей работы и успеха.

# Authenticity Certificate

Le nostre collezioni sono la sintesi di uno stile di vita, di un'emozione, di un colore, di un viaggio, di un sogno. Sfidando il tempo e le tendenze del momento, porteranno nelle Vostre case un immutabile tocco di arte, storia, originalità e fashion.

E' un'attenzione rivolta al nostro cliente, che rimane al centro della nostra filosofia aziendale. Per meglio garantire tutti i nostri clienti, su ogni nostro articolo è applicata la griffe **Caspiani Tino 100% Made in Italy**, proteggendo in tal modo le nostre collezioni dai tentativi di imitazione e dando a Voi la garanzia di un prodotto autentico ed originale.

Our collections are the essence of a lifestyle, of an emotion, of a colour, of a trip, of a dream. Challenging time and trends, they will bring to Your houses an unchangeable touch of art, originality, history and fashion.

It is an attention turned to our customer, who remains in the centre of our company philosophy. To better guarantee our customers, the griffe **Caspiani Tino - 100% Made in Italy** is affixed on each item, thus protecting our collections from counterfeiters' imitation attempts and giving You the warranty of an authentic and original brand product.

Наши коллекции - это воплощение стиля жизни, эмоции, цвета, мечты, путешествия во времени. Бросая вызов времени и быстро уходящим тенденциям, они вносят в ваш дом частицу исконного векового итальянского искусства, оригинальности и моды.

Забота о наших клиентах положена в основу философии нашей компании.

Чтобы защитить коллекции от фальсификации и предоставить покупателям дополнительную гарантию подлинности продукции, на каждое наше изделие наносится знак "**Caspiani Tino - 100% Made in Italy**".

The background of the page is a detailed, ornate pattern of swirling, scroll-like motifs. The pattern is rendered in a combination of bright gold and a light, off-white or cream color. The gold elements are more prominent, especially in the lower-left quadrant, where they form dense, intricate swirls. The white elements are more delicate and appear as flowing, ethereal extensions of the gold pattern, filling the upper and right portions of the page. The overall effect is one of classic elegance and luxury.
