RAMZ COLLECTIONS

Using emeralds, sapphires, coral and rubies as inspiration, Al-Romaizan has imagined the collection's home decor pieces as “jewelry” accents to dazzle and be forever treasured. An artist and jewelry designer who is also a jewelry collector, Al-Romaizan's creations reflect gemological heritage, his eye for rich colorations and his inimitable flair for melding the classic and the unexpected.

Abdul Al-Romaizan

A mastermind of style, an enigma by design: Abdul Al-Romaizan (RAMZ) is an artist who continually surprises. Best known for his breathtaking success in the weddings and events industry, he is also jewelry designer, a fashion icon, a poet and online influencer. Everything Abdul touches attracts attention and inspires dreamers everywhere. He has been sought after by royalty, VIPs, celebrities and style-conscious clients attracted to his unparalleled creativity and collaborative approach. His extravagant weddings were the first to incorporate high-end decor elements on a monumental scale, and his love for Villari porcelain was born from his ingenious use of the Italian company's products in his designs. With the debut of RAMZ by Villari, the Saudi Arabia-born designer brings the energy and style that have defined his bejeweled life to a distinctive collection of porcelain wares for home entertaining. Known for his fluid reinterpretation of historic design schemes, Abdul appreciates the past but is boldly unafraid to redefine what is possible. Likewise, Villari is devoted to the tradition of Italian art porcelain while simultaneously reinventing the craft. Their partnership is a natural fit.
