VILLARI

CHRISTMAS 2017

Since 1967 VILLARI is handcrafting porcelain in Italy at 70 km from Venice. The founders Cesare and Silvia VILLARI are sculptors. They mould themselves the models and prototypes, employing ancestral techniques of modeling in clay. A team of master artisans faithfully reproduces the sculptures in porcelain and sets the petals of the flowers one by one, to ensure the excellence of each flower. Cesare and Silvia have transmitted this passion for porcelain to their children: Barbara, Alessandra and Leone. The new generation is combining expertise with creative audacity and is developing new must-have collections for truly lovers of elegance, style and glamour.

CHANTILLY

Chantilly Cream has been invented by Francois Vatel, maître d'hôtel at the Château de Chantilly (France) in the 17th century. At that time, the château de Chantilly was a symbol of refined cuisine and the appointment of Gastronomic Delights for the nobility. This Whipped cream is beaten until it is light and fluffy. Chantilly Cream is sweetened and flavored with vanilla.

Essences: Vanilla, caramel. A charming collection which brings back childhood memories.
