A house represents an intimate and personal environment. Owning a comfortable home is a common desire, a place to feel at ease and to identify oneself in. The sitting room is a vital area in the house. It is in the sitting room that the family reunions take place and guests are welcome. It is a privileged space where the choice of furniture represents the high care in creating a relaxing and exclusive atmosphere. For this purpose, Asnaghi can propose various solutions, all very refined and comfortable, classical in style and beyond space and time.
