DOMIZIANI

Un posto magico dove le idee prendono forma e l'energia diventa colore...

A magic place where ideas come true and energy becomes color.

Un lieu magique où les idées deviennent réalité et l'énergie se transforme en couleur.

Ein magischer Ort, an dem Ideen Wirklichkeit werden und die Energie wird Farbe.

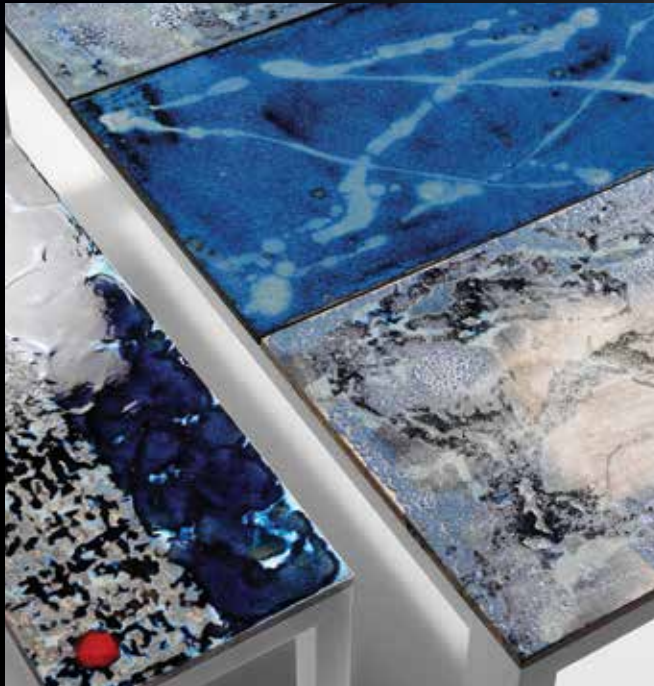

Волшебное место, где идеи приобретают форму, а энергия становится цветом.

Un lugar mágico donde las ideas toman forma y la energía se vuelve color.

一个能实现理想并激发能量的神奇的地方。

DOMIZIANI
design

Maggior valore per il Cliente è il risultato che deve ottenere la ricerca e l'innovazione di nuovi prodotti.

Domiziani, con la nuova linea INOX LAVA DESIGN, è riuscito ad innovare stravolgendo tutti gli schemi del settore Living aumentando il valore dei suoi prodotti come nessun altro sino ad ora.

Una produzione sempre originale, personalizzata, su misura per i gusti e le esigenze dei clienti.

Tavoli, rivestimenti, oggetti d'arredo per la casa e la tavola, barbecue, ma anche poltrone, gazebo, fioriere.

Unici...eterni.

For the Client, the greatest value comes from the research and innovation that go into making new products.

Domiziani, with its new INOX LAVA DESIGN line, has managed to innovate its products by breaking all the rules in the Living segment, increasing the value of its products like no one else up to now.

A production always original, personalized, tailor made for the taste and the needs of the customers.

Tables, coverings, tableware and furniture for the house, barbecues and also armchairs, gazeboes and planters.

Unique...everlasting.

🇮🇹 CARATTERISTICHE TECNICHE DELLA PIETRA

Il processo di realizzazione di un piano in pietra vulcanica si articola in diverse fasi, attraverso una combinazione di processi e lavorazioni artigianali interamente effettuate nei nostri laboratori che conferiscono al prodotto quelle caratteristiche di unicità e bellezza che ne hanno decretato il successo.

Un piano di pietra vulcanica, sia effetto materia che prodotto lucido, è estremamente duraturo e mantiene intatte le sue caratteristiche a temperature che vanno da +1000°C a -50°C. È adatto a qualsiasi ambiente esterno, dato che non subisce alcuna variazione se esposto a neve, pioggia, raggi solari o salsedine, anche per periodi prolungati.

Non subisce nessuna alterazione al contatto con fonti di calore come brace o pentole roventi.

La superficie inoltre non assorbe alcun tipo di sostanza, non si macchia per alcun motivo, e non subisce alterazioni a contatto con soluzioni acide (e quindi con tutti i comuni detergenti).

Il piano presenta buone caratteristiche di resistenza agli urti e un grado di resistenza al graffio superiore al marmo.

Trattandosi di un prodotto naturale realizzato artigianalmente, può presentare caratteristiche (quali lievi macchie o irregolarità sulla superficie) che non sono da considerare difetti, bensì particolari che testimoniano l'unicità e l'originalità del prodotto.

🇫🇷 CARACTÉRISTIQUES TECHNIQUES DE LA PIERRE VOLCANIQUE

Le processus de réalisation d'une plaque en pierre de lave se compose de plusieurs phases de processus artisanales, entièrement effectuées dans notre usine et qui confèrent au produit fini ses caractéristiques d'unicité, qui en ont décrété le succès.

Une plaque en pierre de lave, avec une finition opaque ou brillante, est extrêmement solide et maintient intactes ses caractéristiques, à des températures qui vont entre les 1000°C à -30°C.

Notre produit est idéal pour n'importe quel environnement, intérieur comme extérieur, vu qu'il ne subit aucune variation ou dommage en cas de neige, de pluie, de rayons solaires ou de salinité.

Notre produit ne subit aucune altération au contact de sources de chaleur comme la braises ou des casseroles bouillantes.

En outre la surface de la plaque n'absorbe aucun type de substance et ne se tache pas, ne s'abîme pas au contact des solutions acides (détergents communs). Le plateau présente d'excellentes caractéristiques de résistance aux chocs et aux rayures supérieur au marbre.

Il s'agit d'un produit naturel réalisé artisanalement donc il peut présenter des caractéristiques, qui ne doivent pas être considérées comme des défauts, mais comme des détails qui témoignent l'unicité et l'originalité du produit.

🇬🇧 TECHNICAL FEATURES - STONE

The process of realization of an hand-painted table top is divided into several stages. All the manufacture takes place in our factory and the result is a product with features of a unique beauty.

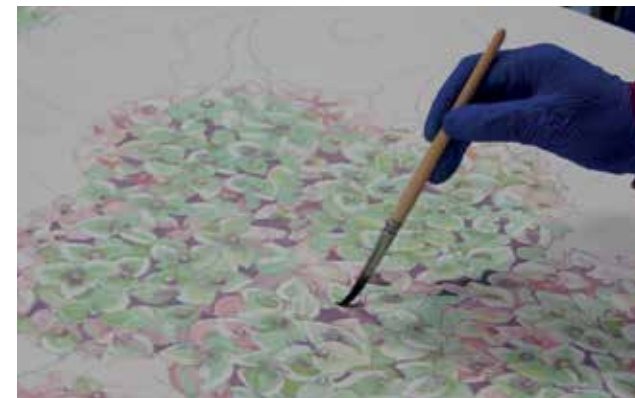

A volcanic stone table keeps its characteristics at temperatures ranging from +1000°C to -50°C. We have chosen this stone because it guarantees resistance to salty air, and all adverse weather conditions. It is shock-proof, acid-proof and it is less liable to scratching than marble or crystal. The handmade product may have features as small spots or irregular surface reflecting the natural origin of the stone.

🇨🇳 火山岩面的技术特性

使用火山岩制作一个台面的过程可分成几个阶段，手工加工过程均在我公司工作室完成，使产品拥有独具匠心、绚丽无比的特色，此乃成功的秘诀。用火山岩制作的台面非常耐用，在摄氏+1000度至-50度之间特性不变。由于该产品即使长期暴露在风雪、雨水、阳光或盐分中也不会有任何改变，因此特别适用于室外环境。若与木炭或滚烫的炊具等热源接触，亦不会产生任何变化。

表面不会吸收任何物质及污渍残留，与酸性溶液接触后也丝毫不变（所有普通清洁剂）。

该台面的耐冲性极强，其耐磨性也超过大理石。由于此乃手工制作的天然产品，会略带一些天然特性（如轻微的斑点或不规则表面），这些并不是缺陷，它证明了该产品独一无二的特性。

TECHNISCHE EIGENSCHAFTEN DES STEINS

Der Fertigungsprozess einer Platte aus Vulkanstein unterteilt sich in mehrere Phasen. Die Kombination von Prozessen und handwerklichen Bearbeitungen, die vollständig betriebsintern verwirklicht werden, verleiht dem Produkt seine Einzigartigkeit und Schönheit, die zu seinem Erfolg geführt haben.

Eine Platte aus Vulkanstein, sowohl in der Ausführung Natureffekt als auch mit geschliffener Oberfläche, hat eine extrem lange Lebensdauer und bewahrt seine Eigenschaften bei Temperaturen zwischen +1000°C und -50°C. Vulkansteinplatten eignen sich für den Einsatz im Freien bei jeglicher Klimasituation, da sie Schnee, Regen, Sonne und Salzluft auch langfristig problemlos standhalten.

Das Material bleibt auch bei starker Hitzeeinwirkung völlig unverändert wie Glut oder heiße Töpfe.

Die Oberfläche absorbiert keinerlei Substanzen, ist daher absolut fleckensicher und verändert sich nicht beim Kontakt mit Säuren (daher auch mit allen handelsüblichen Reinigungsmitteln).

Die Platte weist eine hohe Schlagwiderstandsfähigkeit auf und ist kratzsicherer als Marmor.

Da es sich um ein handwerklich hergestelltes Naturprodukt handelt, sind Eigenschaften wie leichte Flecken oder eine unregelmäßige Oberfläche nicht als Mängel anzusehen, sondern als Besonderheiten, die das Produkt zu einem Unikat machen.

CARACTERÍSTICAS TÉCNICAS DE LA PIEDRA

La realización de una mesa en piedra volcánica se efectúa en diferentes fases a través de una combinación de procedimientos artesanales que se ejecutan en nuestros talleres y que le donan al producto las características de peculiaridad y belleza que lo han llevado al éxito. Las superficies realizadas en piedra volcánica, ya sea con efecto mate o brillante, son extremadamente duraderas y sus características se mantienen intactas a temperaturas que oscilan desde los +1000 °C a los -50 °C, incluso durante largos periodos de tiempo. Son ideales para cualquier ambiente externo o interno ya que no sufren ninguna alteración cuando se exponen a la nieve, lluvia, rayos solares, ambientes salinos y tampoco cuando entran en contacto con fuentes de calor, tales como brasas o utensilios de cocina a altas temperaturas.

Además, estas superficies no absorben ningún tipo de sustancia, no se manchan y su limpieza se puede realizar con cualquier tipo de detergente ya que no sufren variaciones si entran en contacto con soluciones ácidas. Nuestros productos presentan una gran resistencia a golpes, rayados y arañazos superior a la del mármol.

Tratándose de un producto natural y realizado artesanalmente puede presentar algunas características como leves manchas o imperfecciones en la superficie que no deben ser consideradas como defectos, sino como una particularidad que demuestra la originalidad del producto.

Технические характеристики камня

Процесс производства столешниц из вулканического камня проходит несколько этапов путем сочетания разных стадий ручной работы. Все процессы обработки проводятся исключительно нашей фабрикой, что позволяет оставаться изделиям уникальными и неповторимыми, обеспечивая их успех.

Столешницы из вулканического камня имеют эффект полированной поверхности и отличаются небывалой прочностью и долговечностью, неизменно сохраняя при этом все свои начальные характеристики.

Материал обжигается в печи при температуре более +1000° C, поэтому достаточно устойчив в перепадах температур (+1000°C - 50°C).

Столешницы могут использоваться для интерьера и экстерьера. Они устойчивы к воздействиям внешней среды, дождя, солнца и соленой воды (находясь на побережье).

Красочные декоры не меняют своих оттенков, краски не выгорают, а поверхность не портится при контакте с источниками тепла, такими как уголь или горячая кастрюля.

Столешницы из вулканической породы ударопрочные, а степень стойкости к царапинам превосходит мрамор.

Поверхность не впитывает никакие вещества, не окрашивается по какой-либо причине и не изменяется в контакте с кислыми растворами. Для ухода за изделием можно использовать обычные моющие средства.

Поскольку столешница изготавливается из натурального камня, обработанного вручную, поверхность может иметь некоторые неровности и небольшие пятна, которые не считаются дефектами, а особенностями, подчеркивающими уникальность и оригинальность изделия.

COLLEZIONE LUXURY LUXURY COLLECTION

COLLEZIONE LUXURY

I motivi floreali sono ripresi con toni, sfumature e accostamenti di grande visibilità.

L'armonia della natura è vissuta a pieno in questa collezione, tanto a destinarla a diventare senza tempo.

COLECCIÓN LUXURY

Los motivos florales se reflejan en combinaciones de colores y difuminados con un gran efecto visual.

En esta colección la armonía de la naturaleza se vive plenamente en todo su esplendor haciéndola eterna.

LUXURY COLLECTION

The floral patterns are portrayed with vibrant nuances and bright color combinations. This collection reflects the harmony with the nature and it has become timeless.

КОЛЛЕКЦИЯ LUXURY

Цветочные мотивы нашли свое повторение в ярких тонах, оттенках и броских сочетаниях, где отражена вечная гармония природы.

COLLECTION LUXURY

Les décors floraux sont peints avec des nuances vifs et des combinaisons des couleurs brillantes.

Cette collection reflète l'harmonie avec la nature et devient éternelle.

LUXURY KOLLEKTION

Die Blumenmotive werden aus lebhaften Nuancen und leuchtenden Farbzusammenstellungen gemalt. Diese Kollektion darstellt die Harmonie mit der Natur und wird zeitlos.

豪华系列

花卉图案的色泽色调相之呼应，具有引人注目效果。

此系列中大自然的和谐在得到充分体现，魅力永存。

COLLEZIONE MARE SEA COLLECTION

COLLEZIONE MARE

La suggestione dei fondali marini ritrova, in questi decori, una rappresentazione originale, piena di colori e di profonde emozioni.

MARE COLLECTION

The awesomeness of the seabed is fully and originally represented in these patterns. The decorations are full of colors and deep emotions.

COLLECTION MARE

La merveille du fond de la mer est représentée dans ces décors. Ils sont originaux, pleins des couleurs et transmettent émotions profondes.

MARE KOLLEKTION

Die beeindruckende Meeresgründe sind eine Inspiration dieser Dekoration. Eine originelle Interpretation reich an Farbe und tiefen Emotionen.

COLECCIÓN MARE

La sugestión del fondo marino tiene en estos diseños una representación original llena de colores y emociones profundas.

КОЛЛЕКЦИЯ MARE

В этой коллекции представлено очарование морского дна, что отличается оригинальностью, выразительностью цветов и эмоциями глубины.

DESIGN COLLECTION

COLLEZIONE CONTEMPORARY

La vivacità dei colori e la loro armonica ed elegante fusione danno vita a decori pieni di fascino.

CONTEMPORARY COLLECTION

The brightness of the colors and their elegant and harmonious fusion create patterns full of charm.

COLLECTION CONTEMPORARY

La luminosité des couleurs et leur élégant et harmonieuse fusion crée des décorations plein de charme.

CONTEMPORARY KOLLEKTION

Die Lebendigkeit von den Farben und Ihre harmonische und elegante Mischung rufen sehr charmante Dekorationen ins Leben.

COLECCIÓN CONTEMPORARY

Lo abstracto es solo aparente; en realidad la viveza de los colores así como su armónica y elegante fusión, le dan vida a los diseños sugerentes y fascinantes.

КОЛЛЕКЦИЯ CONTEMPORARY

Абстракция является лишь только кажущейся: в действительности, яркие цвета, гармония и элегантное соединение создают великолепные и полные очарования узоры. Коллекция навсегда останется отправной точкой для создания экстерьера.
