

SHABBY
CHIC

Il presente come risultato di una lunga storia fatta di passione e di energia:

negli anni Veneta Sedie si è affermata nel proprio settore con prodotti di alta qualità e attraverso le proprie competenze tecnologiche, logistiche e produttive.

Un'azienda, una grande famiglia: Veneta Sedie è unione, armonia, relazioni.

Sceglie di continuare a produrre in Italia per mantenere la qualità e l'innovazione che da sempre la contraddistinguono e di investire nella sua risorsa più importante: le persone.

The company's long history of passion and energy shaped its present:

during the years Veneta Sedie established itself through quality products and through its technological, logistical and productive know-how.

A company, a family: Veneta Sedie is cohesion, harmony, relationship.

The company chooses to keep its production in Italy, in order to maintain control over the quality and innovation that have always distinguished its work, and to invest in its most precious resource: people.

*Il ghiaccio tintinna nel bicchiere colmo di thé speziato, sul tavolino caldi riflessi d'ambra si adagiano e danzano alla luce del tramonto.
L'ultimo sole entra dalla finestra attraverso le piccole tende a quadretti e illumina il parquet in legno chiaro consumato dai passi, dai volteggi di vite quotidiane.
Nell'aria ricordi di viaggi lontani, di dolci carezze, di biscotti al limone appena sfornati.*

Armonie di naturale incanto, scintille di semplici emozioni

Lo stile romantico di Shabby Chic dona all'ambiente un tocco bohémienne, un'atmosfera dolcemente femminile, un'estetica eterea e delicata: sfumature tenui, finiture che lasciano intravedere la trama del legno, fantasie e colori ispirati ai fiori e alla natura.
Il fascino di oggetti vissuti, di affetti cristallizzati.

*Ice cubes jiggle inside a glass full of spiced tea, warm and amber glares dance to the sunset light over the coffee table.
The late afternoon sun enters the room through the window and its fine checkered curtains, illuminating the light wooden parquet consumed by the steps and the vaults of daily lives.
Memories of distant travels, loving caresses, fresh baked lemon cookies in the scent.*

Harmony of natural charm, sparkles of pure emotions

A romantic style with a bohemian touch, a sweet and feminine allure, an ethereal and delicate aesthetics: Shabby Chic features tenuous shades, finishings showing the wood texture, patterns and colors inspired by flowers and nature.
The appeal of objects enriched by memories, by crystallized feelings.
