BORGHESE

Mod. S O F A
L.240 P.102 H90

Cammina, mangia, ascolta in modo rilassato.
Rallenta ogni operazione.
Non avere fretta: Muoviti come se avessi a disposizione l'eternità.
Infatti è così!
Siamo qui dall'inizio e saremo qui fino alla fine, sempre che sia
esistito un inizio e una fine.
Esistiamo da sempre e per sempre.

(Osho)

CARATTERISTICHE TECNICHE
TECHNICAL FEATURES

Per l'imbottitura dei suoi telai, BM Style utilizza diversi modi di lavorazione. I più comuni prevedono l'imbottitura del fusto con poliuretano che, successivamente, viene ricoperto con fodere di tomana o vellutino accoppiato al poliuretano di vari spessori (a sinistra). Oppure con fodere realizzate completamente in piuma d'oca (a sinistra sotto).

For frames filling BM Style uses different working methods. The most common provide the padding of the stem with polyurethane, which later is covered with Tomana lining or velvet linings coupled with polyurethane of various thicknesses (left) or with linings made entirely of pure feather (left below).

I cuscini in piuma di BM Style sono realizzati in piuma d'oca sterilizzata, non rigenerata, in purezza o miscelata al 30% con fibra poliestere siliconata cava, lavorata in ball. La fodera dei cuscini è realizzata in gabardina 100% cotone titolo 20/30 con alta capacità di tenuta delle piume.

BM Style's pillows are made of sterilized unregenerate feather, pure or mixed with 30% silicone polyester hollow fiber, "ball machined". The cushion lining is made of 100% gabardine, 20/30 cotton title, with high holding power of the feath.

MECCANISMI PER DIVANO LETTO, RETE E MATERASSI PER LETTO /MATERASSO H 7 CM
MECHANISMS FOR SOFA-BED, BEDSPRINGS AND MATTRESS.

- 1. Cuscino seduta: poliuretano ad alta densità.
Seat cushion: high density polyurethane and tomana.
- 2. Piedi in legno massello verniciati.
Feet in painted solid wood.
- 3. Cinghie elastiche.
Elastic belts.
- 4. Tomanà: fibra in poliestere accoppiata a vellutino per rivestimento dei telai.
Tomana: polyester fiber coupled with velvet for rubberised frames coating.
- 5. Poliuretano media densità per imbottitura del telaio.
Medium density polyurethane for filling the frame.
- 6. Telaio in legno massello.
Solid wood frame.
