Stanza s.f. 1. Ciascuno degli ambienti delimitati da pareti che costituiscono l'interno di un edificio; 3. Nella metrica italiana, la strofa come parte della canzone, o come componimento autonomo; spesso sinonimo di ottava.

Stanza s. 1. Room: each of the environments delimited by walls that make up the interior of a building; 3. In Italian metre, "stanza" is the verse as part of a song, or as an autonomous composition; often synonymous with "ottava" rima.

Le **Stanze**, in linea con l'anima Moroso sono componibili, flessibili, personali e personalizzabili, solari, allegre, "stand alone" e dunque uniche rispetto alle altre proposte di mercato, aspirazionali, non finite in ogni dettaglio ma con un chiaro target di gusto di riferimento. Diversi abbinamenti di colori, tessuti, complementi di arredo, di metratura, a cui sono stati aggiunti tappeti, lampade, quadri e specchi, danno la connotazione ed il gusto voluto. È stata inoltre prevista la possibilità del modulo pranzo, per rispondere alla domanda crescente di living-dining. È importante ricordare che gli abbinamenti proposti non sono una chiave di lettura univoca del prodotto Moroso, quanto piuttosto una chiave espositiva per il punto vendita.

In line with the Moroso spirit, **Stanze** are sectional, flexible, personal and personalisable, bright, cheerful, stand alone, and therefore unique in relation to the other market proposals; they are aspirational, not finished in every detail but with a clear target of taste of reference. Various combinations of colours, fabrics, furnishing accessories, dimensions, to which have been added carpets, lamps, pictures and mirrors, given the desired connotation and taste. The possibility of the dining module has also been envisaged, to meet the increasing demand for a living-dining zone. It is important to remember that the combinations proposed are not a univocal key to the interpretation of the Moroso product, but rather a key to display for the point-of-purchase (P-O-P).

Moroso sceglie un partner importante come Golran per una speciale collezione di tappeti storici reinterpretati. Da una brillante intuizione nasce **Carpet reloaded**, un'esclusiva collezione di pezzi unici in limited edition che raccoglie tappeti della prima e della seconda metà del '900 reinterpretati in modo del tutto nuovo e sorprendente. Il passato incontra il presente in un mix tra antica sapienza manifatturiera e design contemporaneo; modelli decolorati e ricolorati, sfilati e ritessuti da esperti annodatori che, con abilità, hanno lavorato nel totale rispetto dei materiali originali (cotone, lana, angora, lana di capra nera, canapa, mohair, lino).

Un tappeto della collezione carpet reloaded è una scelta di stile e di grande personalità che dona un'impronta unica agli ambienti che arreda. Questa serie di tappeti sono stati sottoposti a un processo di decolorazione e sono stati successivamente ritinti con colori naturali a tinte monocromatiche. La reazione stessa della colorazione delle lane dà risultati inattesi e imprevedibili poiché dipende dal tipo di lana usata in origine. Le misure vanno da circa 2x3 m a circa 3x4 m. Su richiesta dimensioni fuori standard. I colori scelti per la collezione Moroso sono: la gamma dei grigi, dal grigio-beige ai grigi-neri; la gamma dei rossi, dai ruggine ai rossi scuri; la gamma dei verdi, dai verdi menta ai verdi blu.

Moroso chooses a prestigious partner, Golran, for a special collection of old carpets with a new twist. A sudden brainwave is behind **Carpet Reloaded**, an exclusive, limited-edition collection of carpets from the first and second halves of the 20th century reinterpreted in a totally new and unexpected way. The past meets the present in a mixture of ancient manufacturing skills and contemporary design. Carpets that are bleached and re-dyed, unwoven and re-woven by skilful weavers who work with due respect for the original materials (cotton, wool, angora, black-goat wool, mohair, linen).

A rug from the Carpet Reloaded is a style choice that displays great character and adds a unique touch to its setting. These carpets were bleached and then re-dyed using natural monochrome pigments. The results of wool dyeing is unknown and unexpected because it depends on the kind of wool used originally. Sizes range from about 2x3 m to about 3x4 m. Non-standard sizes available by request. The colours chosen for Moroso's Carpet Reloaded collection are: greys, from grey-beige to grey-blacks; reds, from rusty shades to dark reds; greens, from mint greens to blue-greens.
